
PASTURE TAP AGREEMENT

To the Rural Water District No. 2, Okfuskee County, Oklahoma:

Be it known, whereas, I the undersigned, agree to have a Department of Environmental Quality approved septic system installed, notify the District, and provide said approval, before connecting water to any structure or before moving into any existing structure on the property at the address described as _____.

I understand that if I should not keep this agreement, Rural Water District No. 2, Okfuskee County, will have the authority to terminate my water service, with the possibility of membership termination.
